EDUCATION

2020 (expected)

Bachelor of Science: Software Engineering

Saint Petersburg State University - Sankt-Peterburg, Russia

Student of Saint-Petersburg State University, faculty of Mathematics and Mechanics, Direction of Software Engineering (09.03.04). Completed 1 course.

2016

Additional education: Software Engineering

Samsung IT School - Russia, Ekaterinburg

Android Development using Java.

2016

Additional education: Algorithms theory

Math and Informatics School - Russia, Ekaterinburg, Institute of Math and Mechanics

Preparation for math and programming competitions for several days every 3 months.

2016

Secondary education: School

Gymnasium No9 - Russia, Ekaterinburg
